Based on the novels written by Namco Bandai Games, RPG fans can relive the legendary stories of the Rise of Skellig and the Tarnished Prince. The mystery and drama that unfolded over the past two decades has been faithfully recreated as a fantasy action RPG in the Elden Ring game. A mysterious power has been gathering within the Elden Ring for two decades. This dark force wants to destroy the world with a single sweep of its devastating magic. If you value the world and the people of the Lands Between above all else, then you will have the courage to defeat the darkness in the end. © 2018 (c) Namco Bandai Games, Inc. Should a company's operations and maintenance facility be located where people work? This question

matters more than ever, as the coronavirus pandemic caused by novel coronavirus is triggered. Many cities and companies are struggling with the risk of spread of the virus as some hospitals and healthcare facilities have to be closed. The most visible effect, however, is the devastating death toll. Meanwhile, the virus spreads silently, killing many people who work in a facility that has become a virus-ridden and can hurt anyone. "Yes, a company should locate where its people work. You're not just helping your workers, but you're keeping your suppliers and clients safe, too," said Dr. Steven Seiken,
